Tour Agenda

Join an exciting and informative tour of NMSU Leyendecker Plant Science Center, with experts Dr. Lara Prihodko, Associate Director, Agriculture Experiment Station and Dave Lowry, Program Operation Director, Leyendecker Plant Science Center. Aboard a trolley, you will get a tour of the property and see and learn about active experiments in Agrivoltaics, Precision and Regenerative Agriculture, including drip irrigation water saving, biochar waste fertilizer and soil regeneration, and more. Please, RSVP to PMK@NMSU.EDU, *as space is limited to first 25 participants*.

12:45 Meet Dr. Lara Prihodko, at Arrowhead Center, Genesis C, 3655 Research Drive, Genesis C, NMSU to follow to Leyendecker Plant Science Center

OR

1:00 Meet at Leyendecker Plant Science Center, 7200 Plant Science Center Circle, 88003 (mappable on google or apple).

2:30 Return to Arrowhead Center, NMSU for SEAC Council Meeting
